

VALANCE Styles

THINGS TO KNOW

TAILORED

Finished with inverted box pleats at the corners and centered across the front, typically 27" apart. Depending on width may have additional centered pleats.

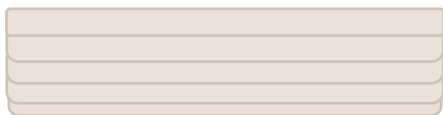

BOX PLEAT

Finished with inverted box pleats at corners and at set locations across the front, typically 8" apart.

SHAPED

Flat valance with arches or other decorative shape specified along the bottom.

MOCK ROMAN

Made to look like a Roman Shade, this valance is finished to a specified drop and does not move up or down. Pleat spacing amount varies as desired.

GATHERED

Constructed with fabric gathered at the top and sewn into a continuous pocket that the rod slips through.
